FACT SHEET

Because we did not obtain the required number of user agreement sign-ups:

- ◆ **Williamsburg County will not receive \$21 million in USDA funding for the St. Lawrence/ Blakely/Trio/Earle projects**
- ◆ **Williamsburg County will not receive \$1.5 million in funding for Service Connections**
- ◆ **The Water & Sewer Department operation and maintenance account will run out of funds by June 2016**
- ◆ **The Water & Sewer Department will not have enough funds to continue daily operations**
- ◆ **The Water & Sewer Department will default on all current USDA loans and lose the system due to lack of funds**
- ◆ **The Water & Sewer Department will not be able to expand the system into unserved communities in the future**
- ◆ **Failure to expand the system means no chance to lower home-owners' insurance premiums for communities not already within the system boundaries**
- ◆ **The County would lose a "key and critical" element of infrastructure for economic development**
